## **PRO-CHEM ESTATE SPRAYERS**

Pro-Chem Estate Sprayers are Great for applying Herbicides, Pesticides, or Fertilizer in either Small Spot Spraying Applications where precision is necessary, or Larger Jobs like Fence Rows, Yards, Parks, Sports Fields, Etc. Pro-Chem Estate Sprayers can help you cover more ground in less time. The nozzle adjusts from an 80° Cone Broadcast Spray to a Straight Stream for Spot Spraying, & can shoot up to 25 feet horizontally. Choose from 15 or 25 gallons Tank Size to fit your needs. Pro-Chem Estate Sprayers can easily be mounted to your ATV, Garden Trailer, or Vehicle for Versatile Grounds Spraying Coverage.
