

SH27003VH, SH30003HH SH35003VH, SH40004HH

The **SH Series** is a portable high power washer with a compact design, ideal for use where electric power is not available. An industrial duty engine provides power to the triplex, ceramic plunger, direct-drive pump and thermostatically controlled 12VDC burner. The stainless wrapped 1/2" SCH 80 steel coil heats water up to 250°F. You will experience extended burner run time with the large 8 gallon diesel tank. Its rugged powder coated frame has a lifting point, integrated hose hooks, wand holder, and 4 large wheels are also included for portability. *Requires Group 24 550CCA battery, not included.* Dimensions: 44"Lx28"Wx45"H

Model SH27003VH
2700psi @ 2.5gpm
(186bar, 9liters)
